

Ecumenical Commission Questionnaire

The Nottingham Diocesan Ecumenical Commission is attempting to get an overall picture of Ecumenism across the diocese, so we've put together a questionnaire and would be really grateful if you could find time to fill it in (or pass it on to someone else to complete).

If you prefer to send some comments on your views on ecumenism and how effective it is, rather than answering the questions, that would be equally welcomed.

If there is any way the Ecumenical Commission can assist you or your parish, we'd be delighted to hear from you.
