### Introduction

The drb Ignite Briefings are very popular. Held each term at a number of venues, attendees have welcomed the opportunity to hear at first hand from highly experienced professionals the latest developments in education.

Delegates will not only hear what to expect from current and proposed education initiatives but the Briefings provide excellent opportunities for attendees to ask questions about their own specific situation.

drb Ignite is now seen as 'a one-stop shop' for school improvement support.

### Typical feedback from delegates includes:
